THE Commiſſioners for carrying into Effect the Sixth Article of the Treaty of Amity, Commerce and Navigation, concluded between His Britannick Majeſty and the United States of America, on the 19th Day of November, 1794, having this Day conſtituted their Board, purſuant and agreeably to the ſaid Treaty, do hereby give Notice, that they are ready to proceed to Buſineſs accordingly; and they deſire that all Claims under the ſaid Article (which ſo far as the ſame deſcribes the Caſes thereby provided for is hereunto annexed) may be lodged with their Secretary without Delay.

They further deſire that all ſuch Claims may not only ſtate in what Manner the ſeveral Caſes come within the Deſcription of the ſaid Article, but alſo ſpecially ſet forth the Nature of the Evidence by which the Claimants reſpectively undertake to ſubſtantiate the ſame.

EXTRACT

EXTRACT from the said ARTICLE.

"Whereas it is alledged by divers British Merchants and others, His Majesty's Subjects, that Debts to a considerable Amount, which were *bona fide* contracted before the Peace, still remain owing to them by Citizens or Inhabitants of the United States; and that, by the Operation of various lawful Impediments since the Peace, not only the full Recovery of the said Debts has been delayed, but also the Value and Security thereof have been in several Instances impaired and lessened; so that, by the ordinary Course of judicial Proceedings, the British Creditors cannot now obtain and actually have and receive full and adequate Compensation for the Losses and Damages which they have thereby sustained: It is agreed that in all such Cases, where full Compensation for such Losses and Damages cannot, for whatever Reason, be actually obtained, had and received by the said Creditors, in the ordinary Course of Justice, the United States will make full and complete Compensation for the same to the said Creditors; but it is distinctly understood that this Provision is to extend to such Losses only as have been occasioned by the lawful Impediments aforesaid, and is not to extend to Losses occasioned by such Insolvency of the Debtors, or other Causes, as would equally have operated to produce such Loss, if the said Impediments had not existed; nor to such Losses or Damages as have been occasioned by the manifest Delay or Negligence, or wilful Omission of the Claimant."

By Order of the Board,
Griffith Evans, *Secretary.*

Philadelphia, Commissioners Office,
No. 3, South-Sixth-Street,
May 29, 1797.

THE Subscriber having been appointed by the Envoy Extraordinary and Minister Plenipotentiary of His Britannic Majesty General Agent for assisting British Creditors, and such particular Agents as they may specially authorize, in prosecuting their Claims before the Commissioners for carrying into Effect the Sixth Article of the Treaty of Amity, Commerce and Navigation between His Britannic Majesty and the United States of America, hereby gives Notice, that he has opened his Office, at his House, the South-East Corner of Chesnut and Fifth Streets, Philadelphia, where he is ready to receive all Claims, or Instructions for Claims, with the Vouchers and Documents thereof, for the Purpose of bringing forward the same, agreeably to the Rules and Orders which the Board may think proper to prescribe.

And as, it will be for the Interest of all concerned, that the several Claims be so stated, and supported, as to prevent the Delay which would arise from the Necessity of obtaining further Information, or additional Materials, from Persons residing at a Distance, the General Agent thinks it his Duty to add, (for the Direction chiefly of those, who, not having employed particular Agents, may leave the Prosecution of their Claims to his Charge and Management) that all such Claims ought in particular to set forth—

1st. The proper Description and Situation of the Creditor or Claimant, and original Debtor, respectively.

2d. The Date and Nature of the original Contract or Debt.

3d. When, in what Manner, and to what Extent, the Creditor or Claimant was prevented or impeded, by the Provision, Operation or Defect of Law, the Decisions and Practice of Courts, or Restraint of Execution, from recovering Payment of the Debt in Question.

4th. The Loss and Damage incurred or sustained, in consequence of such Impediments, whether the same may have arisen from the Insolvency, Change of Situation, or Death of the Debtor, the Loss of legal Remedy from Lapse of Time, or other Causes impairing the Value and Security of the Debt, which would not have so operated if such Impediments had not existed.

And 5th. The particular Grounds and Reasons on which the Claimant maintains, in the Terms of the Treaty, "that by the ordinary Course of Judicial Proceedings the Creditor cannot now obtain and actually have and receive full and adequate Compensation" for the Losses and Damages so sustained.

The General Agent thinks it his Duty further to suggest, that the several Claims ought to be accompanied and supported by the Affidavits of the Claimants duly sworn and regularly attested, both as to the Existence of the Debts claimed, and such other Circumstances as may be within their own Knowledge respectively. And wherever the Claimants, in stating the Nature of their Evidence, (which must in every Instance be the best of which the Case is capable) have occasion to refer to the Testimony of Witnesses, it will be proper to apprise the General Agent of the Names and Places of Residence of such Witnesses, and the Facts to be established by their Testimony.
